Dear Miss Tilley:

I am hastening to answer your letter just received this morning, as the opening day of the Newark Eagles Baseball Club at Ruppert Stadium, Newark, N. J. takes place this coming Sunday, May 3rd.

In answer to your other question, Pitcher Leniel Hooker and Maxwell Manning are still with The Eagles. Firstbaseman Francis Matthews is not playing ball this year, he has gone into Defense work he wrote me.

I hope this is the information you want.

Very truly yours,
